## REFERRAL LIST

**PLEASE READ THE FOLLOWING CAREFULLY BEFORE CONSULTING A LAWYER REFERRED TO IN THIS LIST**

### **Where do the names of solicitors on this list come from?**

- This list acknowledges those solicitors from private practice who provide legal assistance to the community at Caxton Legal Centre's evening advice services. We gratefully appreciate the great support of the solicitors and therefore we provide this list so that you are aware of their generous commitment.
- The list of firms of solicitors is **not** provided with any guarantee as to the quality or otherwise of these firms, although we trust that a reference list may be of assistance to many of our clients.

### **Do I have to use one of the solicitors on the list?**

- You are not obliged to use the service of these solicitors in preference to other solicitors in your area. If you do not wish to consult any of the solicitors from the list, then you could consult the Yellow Pages or contact the **Queensland Law Society** on **3842 5888** for a list of all solicitors practising in your area.

### **If I use a solicitor on this list, do I have to pay a fee?**

- The solicitors on this list **DO NOT** work for free. If you consult a solicitor from this list you should be aware that you will need to pay for their services. It is your responsibility to ask the solicitor about fees (including fees for the first interview) **BEFORE** you make an appointment.
- Some but not all of the private solicitors on this list may provide free advice for the first thirty minutes of your consultation. You should ask the solicitor whether they provide this service **BEFORE** you arrange an appointment.
- Some solicitors offer an initial "**FIXED FEE CONSULTATION**" - which gives you 20 minutes of their time for a fee reduced, such as \$20.00. Check with the solicitor about this **BEFORE** you arrange an appointment.
- Some solicitors also provide assistance on a "**speculative basis**". This means that if you do not have sufficient property and/or income to pay for their services, they may agree to do the work on the basis that if you win the case they will take their costs out of your claim, but, if you lose the case they will not charge you some or all of the legal fees - but they **WILL** charge for outlays (ie -: expenses, court fees, barristers fees, etc). You should ask the solicitor whether they do speculative work and if they agree to help you on a speculative basis, they should advise you in writing of the agreements and what is meant by "speculative".
- Some solicitors/barristers may conduct certain work on a **pro bono** basis (i.e. for free). Any such arrangement is a private one between you and the solicitor/barrister. It is separate from Caxton Legal Centre.

### **Will the solicitors on this list, take on my case?**

- We cannot guarantee that the lawyers listed above will take on your case on an ongoing basis. We also cannot guarantee that the lawyers listed will be able to see you at all because their availability will depend on their other work commitments in relevant legal areas and individual willingness to act for you. It is vital to ensure that you seek legal assistance as soon as possible if your matter is likely to go to court.

### **WARNING:**

**THE DETAILS CONTAINED HERE MAY CHANGE WITHOUT NOTICE. IF YOU USE A SOLICITOR ON THIS LIST IT IS YOUR RESPONSIBILITY TO ASK THEM ABOUT THEIR FEES, INCLUDING THEIR FIRST INTERVIEW FEES BEFORE MAKING AN APPOINTMENT.**
